

Thank you to those who have brightened our lives.

Lights of Love celebrates those who have filled our lives with joy and hope. Each shining light on our tree represents a loved one who has made a difference in our lives and in our community. By supporting Lights of Love, you help support the health of our community by funding critical initiatives like the Community Paramedic Program and Inpatient Food Pantry.

In Celebration

Dr. Matt Paszek
Debbie Ramautar
Vanessa Scaife -
The Lighthouse Home
Staff of UNC Health Nash

In Memorium
